Assignment 1 Day 8

```python
In [2]: def g():
            print("Hi, its me 'g'")
            print('thanks for calling me')
        def f(func):
            print("hi its me 'f'")
            print("I will call 'func' now")
            func()
        f(g)
```

```
hi its me 'f'
I will call 'func' now
Hi, its me 'g'
thanks for calling me
```

Assignment 2 Day 8

```python
In [8]: try:
            fname = open("a.txt","r")
            fname.write("hello world")

        except:
            print("Cannot write the contents to the file")
```

```
Cannot write the contents to the file
```

```
In [ ]:
```
